Rates, terms and conditions subject to change.

\*Participating offices of education: Placer County Office of Education, Sacramento County Office of Education, San Diego County Office of Education, Shasta County Office of Education and Tulare County Office of Education.

1 APR = Annual Percentage Rate.

2 Representative example: A \$6,500 48-month loan with a 12-month deferred first payment at 5.9% APR would require 35 payments of \$208.06 with one final payment of \$207.77.

3 Representative example: A \$9,000 48-month loan with a 12-month deferred first payment at 5.9% APR would require 35 payments of \$280.58 with one final payment of \$280.40.

4 Interest will accrue from the date of the loan. Should you fail to complete the credential program, repayment will begin 30 days after your early withdrawal or termination.
